

Primecoat Matt 120g

Primecoat Matt 120g is a medium weight matte paper with a quick drying ink receptive coating. The short dry time makes it suitable for modern high speed wide format printers using waterbased inks.

Compatibility overview

Compatible with Waterbased inks.

Water based

(Eco) solvent

Solvent

Latex

Physical characteristics

• Finish: Matte

• Weight: 120g/m²

Features

• Matte finish
• Good flatness and stiffness

• Good colour reproduction
• High resolution

Applications

• POS Graphics
• CAD
• Presentations

• Posters
• Imposition proofing

Shelf life and environment aspects

The shelf life of this media is 1 year under normal conditions (15°C – 30°C at a relative humidity 30% - 60%). Higher humidity and/or temperature can affect the product performance. Always store the media in a dark place in its original packaging.

Can be protected against abrasion, fading and moisture with self-adhesive and hot melt low temperature laminates.
