

## Product information

DESARDI® Eco Mural Smooth 280g is a PVC-free wall, window or hard surface covering product with a smooth anti-glare surface and has a water-activated adhesive backing, making it very easy-to-install by just spraying the backing of the wallpaper with water, fold and wait for 5 minutes and apply the product to the wall. To achieve sustainable advantage over traditional pressure sensitive vinyl and PVC coated materials, this robust and dimensionally stable product is paper-based, FSC certified and contains 100% post-consumer waste.
