

## **Product information**

DESARDI® Eco Weave 260g is a PVC-free wallcovering product with a removable self-adhesive layer for easy peel-and-stick applications. The product has a slight weave texture with a matte finish for added interest to the final print and to help cover surface imperfections. To achieve sustainable advantage over traditional pressure sensitive vinyl and PVC coated materials, this robust and dimensionally stable wallpaper contains 20% post-consumer waste.
