Removability:

When applied properly on a suitable surface, the adhesive will maintain it's standard release for 2 years. Beyond 2 years, the bond strength with the wall surface may gradually increase.

Durability and Longevity:

This product is recommended for indoor use.
Outdoor life of unprinted material - 3 years
Indoor life of unprinted material - 10 years

Application:

Wallwrap has been tested on drywall and many other smooth clean surfaces.
Drywall requires a sealed surface with a level 4 or 5 finish.
Uncured paints and primers can result in poor adhesion.
Due to the variability of surfaces, sealers, paints and environmental conditions, DreamScape does not accept claims for application or removal failures. It is the user's obligation to test and verify suitability prior to application.

Warranty:

5 Year Warranty against manufacturing defects. Additional information regarding warranty is available on our website at <http://www.dreamscapewalls.com/>
