

Tack Mount White Dot-Tack Film

window films

Product description \

Tack Mount White Dot-Tack Film is a matte, white, easy-to-use polyester based film with a dot-tack adhesive, making quick, bubble-free application possible. It is the perfect choice for short-term indoor applications, such as seasonal retail sales and other marketing & sales campaigns. It adheres easily to a variation of surfaces and upon removal it does not leave any marks or residues and is re-positionable multiple times.

Physical characteristics \

Base material : Polyester
Weight : 145g/m²
Thickness film : 115 mic
Thickness liner : 50 mic

Print compatibility \

Eco-Solvent, Latex, UV-cure
